Auto - Why XYZ Insurance is important | Starting Price | Product Deck

1. Directors & Officers (D&O) Insurance

Subject: Protect Your Leadership – D&O Insurance Starting at ₹7,000

Hello [First Name],

We understand that protecting your leadership team is a priority. Directors & Officers (D&O) Insurance is an unnamed policy-meaning it covers any decision-maker in your company, ensuring they're protected against legal and financial risks arising from mismanagement claims.

• Why it's important?

- Legal disputes against directors can drain company resources and time
- Directors' personal savings, homes, and assets remain vulnerable without protection
- Investors, regulators, and partners expect this coverage to be in place

✓ Starting price: ₹7,000 per year to get ₹50 lakhs of coverage

We've attached our D&O Insurance Product Deck to help you understand the coverage better. Let's secure your leadership today.

[📎] [Download Product Deck](#)

Let us know if you'd like a quick call to discuss your options.

2. Professional Indemnity Insurance

Subject: Protect Your Professional Services – Starting at ₹20,000

Hello [First Name],

A single lawsuit can impact your finances and reputation. Professional Indemnity Insurance ensures you're covered against claims of errors, negligence, or omissions in your services-including situations where an employee leaks confidential client data, leading to potential legal action.

• Why it's important?

- Defending a lawsuit can cost lakhs, even if you're not at fault
- Essential for all businesses that are service based
- Provides coverage for unintentional IP infringement

✓ Starting price: ₹20,000 per year to get ₹50 lakhs of coverage

We've attached our Professional Indemnity Insurance Product Deck for more details.

 Download Product Deck

Would you like to explore your coverage options? We're here to help.

3. Commercial General Liability (CGL) Insurance

Subject: Avoid Costly Business Liabilities – Coverage from ₹7,500

Hello [First Name],

Commercial General Liability (CGL) Insurance combines Product and Public Liability coverage in one policy. It protects against bodily injury, property damage, and legal claims occurring at your premises or from your products. CGL also covers multiple locations under a single policy, offering a cost-effective solution for businesses with several facilities.

• Why it's important?

- One accident on your premises could lead to huge legal expenses
- Covers medical bills, legal defence, and settlements
- Many clients and vendors require businesses to have this coverage

✓ Starting price: ₹7,500 per year to get ₹50 lakhs of coverage

We've attached our CGL Insurance Product Deck with more details.

 Download Product Deck

Would you like to discuss your coverage? Let us know.

4. Product Liability Insurance

Subject: Protect Your Business from Product Claims – Starting at ₹7,500

Hello [First Name],

If a customer experiences harm due to your product, your business could face expensive legal claims. Product Liability Insurance not only covers third-party claims related to product defects, safety issues, and manufacturing errors, but it also includes coverage for product recalls and financial losses due to product guarantees. Whether it's a faulty batch, a safety concern, or a product failing to meet its guarantee, this policy ensures your business is financially protected.

• Why it's important?

- Lawsuits for defective products can cost crores
- Even a single incident can damage your brand's reputation
- Many distributors and retailers require suppliers to have this insurance

✓ Starting price: ₹7,500 per year to get ₹50 lakhs of coverage

We've attached our Product Liability Insurance Product Deck for more details.

 [Download Product Deck](#)

Would you like to discuss your coverage options? We're happy to help.

5. Commercial Crime Insurance

Subject: Shield Your Business from Financial Crime – Coverage from ₹40,000

Hello [First Name],

Fraud, employee theft, and phishing attack can cause significant financial losses. Commercial Crime Insurance helps businesses recover from financial crimes, whether committed by employees or external parties.

• Why it's important?

- Internal fraud accounts for a significant percentage of business losses
- Covers theft, forgery, cyber fraud, and fraudulent fund transfers
- Essential for businesses handling large financial transactions

✓ Starting price: ₹40,000 per year to get ₹50 lakhs of coverage

We've attached our Commercial Crime Insurance Product Deck for more details.

 [Download Product Deck](#)

Would you like a quick call to explore how this insurance can protect your business?

6. Cyber Insurance

Subject: Stay Protected from Cyber Threats – Coverage from ₹50,000

Hello [First Name],

Cyberattacks and data breaches are rising, and businesses of all sizes are at risk. Cyber Insurance helps cover financial losses, legal costs, and recovery expenses.

- Why it's important?

- The average cost of a cyberattack in India is ₹42.5 crores
- Covers data breaches, ransomware attacks, and cyber extortion
- Essential for businesses storing customer data or transacting online

✓ Starting price: ₹50,000 per year to get ₹50 lakhs of coverage

We've attached our Cyber Insurance Product Deck for more details.

1. Directors and Officers Insurance - D&O DNP Followup - 7 (20-March-2025)

Subject: Still Have Questions? Let's Answer Them!

Hello [First Name],

We understand that buying <product name> comes with questions. Here are answers to some of the most common ones:

1) What does Directors & Officers (D&O) Insurance cover?

👉 It provides financial protection to a company's directors and officers if they face legal action for decisions made in their official capacity.

2) How do I make a claim?

👉 Notify us immediately if a lawsuit or regulatory action is filed against a director or officer. Our team will guide you through the process.

3) What limit should I buy?

👉 Coverage generally aligns with your company's financial size, industry, and risk exposure. As a guideline, smaller businesses might start with ₹5-8 crores, while larger, higher-risk companies may need coverage upwards of ₹25-30 crores.

If you still have concerns, our team is happy to assist. Let's chat!

📞 Call us: [Salesperson's Phone Number]

✉️ Email us: [Salesperson's Email]

2. Professional Indemnity Insurance - **PI DNP Followup - 7 (20-March-2025)**

Subject: Still Have Questions? Let's Answer Them!

Hello [First Name],

We understand that buying insurance comes with questions. Here are answers to some of the most common ones:

1) What does Professional Indemnity (PI) Insurance cover?

👉 It protects businesses against third-party* claims arising from errors, omissions, or negligence in services provided. It covers legal costs and damages if a client suffers financial loss due to your professional services.

2) How do I make a claim?

👉 If a client files a claim against you, inform us immediately. We'll guide you through the documentation and claims process.

3) What limit should I buy?

👉 Coverage generally aligns with your company's financial size, industry, risk exposure, and security measures. As a guideline, smaller businesses might start with ₹1-3 crores, while larger, higher-risk companies may need coverage upwards of ₹8 crores.

If you still have concerns, our team is happy to assist. Let's chat!

3. Commercial General Liability Insurance - **CGL DNP Followup - 7 (20-March-2025)**

Subject: Still Have Questions? Let's Answer Them!

Hello [First Name],

We understand that buying insurance comes with questions. Here are answers to some of the most common ones.

❏ 1] What does Commercial General Liability (CGL) Insurance cover?

👉 It is an all-in-one solution that protects against public liability (for third-party injuries or property damage on business premises) and product liability (for third-party damages caused by faulty products).

❏ 2] How do I make a claim?

👉 Report the incident as soon as it happens. We'll assist you with the claims process and ensure quick resolution.

❏ 3] What limit should I buy?

👉 Coverage generally aligns with your company's financial size, industry, risk exposure, and security measures. As a guideline, smaller businesses might start with ₹1-3 crores, while larger, higher-risk companies may need coverage upwards of ₹3-5 crores.

If you still have concerns, our team is happy to assist. Let's chat!

4. Product Liability Insurance - **PL DNP Followup - 7 (20-March-2025)**

Subject: Still Have Questions? Let's Answer Them!

Hello [First Name],

We understand that buying insurance comes with questions. Here are answers to some of the most common ones:

1) What does Product Liability Insurance cover?

👉 It protects a business if its products cause harm or damage to third parties. It covers any claim for compensation that may arise due to the use or consumption of the company's products.

2) How do I make a claim?

👉 If a customer files a complaint or lawsuit, notify us immediately. We'll guide you through the claims process.

3) What limit should I buy?

👉 Coverage generally aligns with your company's financial size, industry, risk exposure, and security measures. As a guideline, smaller businesses might start with ₹1-3 crores, while larger, higher-risk companies may need coverage upwards of ₹3-5 crores.

6. Cyber Insurance - **Cyber DNP Followup - 7 (20-March-2025)**

Subject: Still Have Questions? Let's Answer Them!

Hello [First Name],

We understand that buying insurance comes with questions. Here are answers to some of the most common ones:

1] What does Cyber Insurance cover?

👉 It protects businesses against financial damage resulting from cyber threats such as SQL injections, ransomware, DDoS, MitM, and more. It also helps protect against financial liabilities when a company has breached the DPDP Act.

2] How do I make a claim?

👉 If your business suffers a cyberattack, report it immediately. Our team will guide you through the process and help with incident response.

3] What limit should I buy?

👉 Coverage generally aligns with your company's financial size, industry, risk exposure, and security measures. As a guideline, smaller businesses might start with ₹1-3 crores, while larger, higher-risk companies may need coverage upwards of ₹8 crores.

If you still have concerns, our team is happy to assist. Let's chat!

Auto - Follow up 4 - Why you need XYZ insurance

1. Directors & Officers (D&O) Insurance - **D&O Details Requested Followup - 4 (20-March-2025)**

Subject: Protect Your Leadership – D&O Insurance is a Must-Have

Hello [First Name],

Your company's directors and officers make critical business decisions daily. But what happens if they are personally sued for mismanagement, regulatory violations, or employment disputes?

Without D&O Insurance, they may have to pay legal expenses from their own pocket.

Why You Need D&O Insurance:

- ✓ Covers legal defence costs and settlements if your leadership is sued
- ✓ Protects personal assets of directors & officers
- ✓ Builds trust with investors, stakeholders, and board members
- ✓ Ensures compliance with regulatory expectations

Don't leave your leadership team exposed. Let's secure their protection today.

2. Professional Indemnity Insurance - **PI Details Requested Followup - 4 (20-March-2025)**

Subject: One Small Mistake Could Cost Lakhs – Protect Yourself!

Hello [First Name],

No matter how experienced you are, mistakes can happen. A dissatisfied client, a contract dispute, or an error in your service can lead to expensive legal claims.

Professional Indemnity Insurance ensures you don't have to pay out of pocket.

Why You Need Professional Indemnity Insurance:

- ✓ Covers legal fees if a client sues for errors or negligence
- ✓ Protects your reputation and financial stability
- ✓ Required by many clients before signing contracts
- ✓ Essential for consultants, IT professionals, lawyers, architects, and more

One lawsuit could disrupt your business-let's get you covered today.

3. Commercial General Liability (CGL) Insurance - **CGL Details Requested Followup - 4 (20-March-2025)**

Subject: Accidents Happen – CGL Insurance Protects Your Business

Hello [First Name],

Running a business means interacting with customers, vendors, and the public daily. But what if an accident happens on your premises or a client sues you for damages?

Commercial General Liability Insurance covers these unexpected costs.

Why You Need CGL Insurance:

- ✓ Covers medical expenses if someone is injured on your premises
- ✓ Protects against third-party property damage claims
- ✓ Pays for legal defence if a customer or vendor sues
- ✓ A must-have for businesses with physical locations or client interactions

Don't let an unexpected lawsuit affect your business. Let's get your coverage in place today.

 Call us at [Your Phone Number] or reply to this email for assistance.

4. Product Liability Insurance - **PL Details Requested Followup - 4 (20-March-2025)**

Subject: One Defective Product Could Lead to a Lawsuit – Be Prepared

Hello [First Name],

If a customer claims that your product caused injury or damage, your business could face a costly lawsuit. Even if you followed all safety measures, product liability claims can still arise.

Product Liability Insurance protects you from these risks.

Why You Need Product Liability Insurance:

- ✓ Covers legal defence if a customer claims your product is defective
- ✓ Pays for settlements or medical costs due to product-related injuries
- ✓ Protects your business reputation and financial stability
- ✓ A must-have for manufacturers, wholesalers, distributors, and retailers

Let's ensure your business is protected from unexpected product claims.

5. Commercial Crime Insurance - **Crime Details Requested Followup - 4 (20-March-2025)**

Subject: Fraud & Theft Can Happen Anytime – Is Your Business Covered?

Hello [First Name],

Internal fraud, employee theft, cyber fraud, and financial scams can drain your business funds without warning. Did you know that 75% of businesses experience fraud at some point?

Commercial Crime Insurance ensures your business can recover from financial losses.

Why You Need Commercial Crime Insurance:

- ✓ Covers financial losses due to employee theft or fraud
- ✓ Protects against cyber fraud, forgery, and fund transfer scams
- ✓ Safeguards your business assets and cash flow
- ✓ A must-have for businesses handling large transactions

Let's secure your business before an unexpected crime affects your bottom line.

6. Cyber Insurance - **Cyber Details Requested Followup - 4 (20-March-2025)**

Subject: A Cyberattack Can Cost Crores – Is Your Business Protected?

Hello [First Name],

Cyber threats are increasing daily, and even a single data breach could cost your business lakhs or even crores. If hackers steal customer data or ransomware locks your systems, how will you recover?

Cyber Insurance helps your business bounce back.

Why You Need Cyber Insurance:

- ✓ Covers financial losses due to cyberattacks and data breaches
- ✓ Pays for legal fees, regulatory fines, and customer notification costs
- ✓ Protects against ransomware and cyber extortion
- ✓ A must-have for businesses handling sensitive customer or financial data

A cyberattack can happen anytime-let's secure your business before it's too late.

Auto - How to decide the Sum Insured?

1. Directors and Officers Insurance - **D&O Details Requested Followup - 6**

(20-March-2025)

Subject: Choosing the Right Sum Insured for Your D&O Policy

Hello [First Name],

I wanted to follow up on your Directors & Officers (D&O) Insurance inquiry and assist you in selecting the right Sum Insured—a key factor in protecting your leadership team.

• How to Decide the Right Sum Insured for D&O Insurance?

- ✓ Company size & revenue – Ensure coverage is sufficient to handle lawsuits against directors and officers.
- ✓ Industry risk exposure – Certain sectors face higher litigation risks and require higher coverage.
- ✓ Regulatory and contractual obligations – Clients, investors, or regulators may require a minimum coverage limit.

Having the right Sum Insured shields your leadership team from unexpected financial and legal burdens.

Let's discuss the best coverage for your business.

 Call us at [Your Phone Number]

 Email us at [Your Email]

 [Schedule a Meeting](Insert Google Calendar Link)

Looking forward to assisting you!

2. Professional Indemnity Insurance - **PI Details Requested Followup - 6 (20-March-2025)**

Subject: Need Help Choosing the Right Sum Insured for PI Insurance?

Hello [First Name],

I wanted to follow up on your Professional Indemnity (PI) Insurance inquiry and help you choose the right Sum Insured—ensuring your business stays protected from potential client claims.

• How to Decide the Right Sum Insured for PI Insurance?

- ✓ Value of contracts & projects – Ensure coverage is enough to cover claims from dissatisfied clients.
- ✓ Industry-specific risk – Certain professions (lawyers, consultants, architects) have higher liability risks.

✓ Past claims in your field – Understanding industry trends helps in selecting the right coverage limit.

Choosing the right Sum Insured ensures financial security and peace of mind. Let's discuss your coverage needs.

3. Commercial General Liability Insurance - **CGL Details Requested Followup - 6 (20-March-2025)**

Subject: Ensuring the Right Coverage for Your Business Liability

Hello [First Name],

I wanted to follow up on your Commercial General Liability (CGL) Insurance inquiry and guide you in selecting the right Sum Insured for complete business protection.

• How to Decide the Right Sum Insured for CGL Insurance?

✓ Business operations & risk exposure – Coverage should reflect the nature of your business and potential risks.

✓ Third-party interactions – Third parties include customers, clients, vendors, delivery personnel, and other visitors who are not your employees. If such individuals visit your workplace regularly, a higher coverage amount may be necessary.

✓ Contractual requirements – Clients, landlords, or business partners may require a minimum Sum Insured.

Let's ensure your business has the right coverage to handle third-party claims effectively.

4. Product Liability Insurance - **PL Details Requested Followup - 6 (20-March-2025)**

Subject: Does Your Product Have the Right Liability Coverage?

Hello [First Name],

I wanted to follow up on your Product Liability Insurance inquiry and help you choose the right Sum Insured-ensuring your business is protected against claims related to defective products.

• How to Decide the Right Sum Insured for Product Liability Insurance?

- ✓ Type of products sold – Higher-risk products (medical, food, electronics) require higher coverage.
- ✓ Volume of sales – The more products you sell, the higher your potential liability exposure.
- ✓ Regulatory and contractual requirements – Some industries or clients may require specific minimum coverage.

The right coverage ensures your business stays financially protected in case of unexpected claims. Let's find the best fit for you.

5. Commercial Crime Insurance - **Crime Details Requested Followup - 6 (20-March-2025)**

Subject: Protect Your Business from Financial Losses – Choose the Right Coverage

Hello [First Name],

I wanted to follow up on your Commercial Crime Insurance inquiry and assist you in selecting the right Sum Insured to safeguard your business from internal and external fraud.

• How to Decide the Right Sum Insured for Commercial Crime Insurance?

- ✓ Company's financial transactions – The higher your transaction volume, the greater the risk of fraud.
- ✓ Past fraud incidents in your industry – Analysing trends helps in choosing the right level of coverage.
- ✓ Employee and vendor interactions – More people handling finances means higher fraud risks.

Let's ensure your business has the right financial protection in place.

6. Cyber Insurance - **Cyber Details Requested Followup - 6 (20-March-2025)**

Subject: Is Your Business Protected Against Cyber Threats?

Hello [First Name],

I wanted to follow up on your Cyber Insurance inquiry and help you determine the right Sum Insured to protect against financial losses from cyberattacks.

- How to Decide the Right Sum Insured for Cyber Insurance?

- ✓ Volume of sensitive data stored – Higher data volumes mean greater risks.
- ✓ Potential financial losses from cyberattacks – Consider downtime, ransomware demands, and legal costs.
- ✓ Regulatory fines & legal costs – Coverage should factor in compliance penalties and recovery expenses.

Cyber threats are growing-let's ensure your business has the right level of protection.

Auto - Follow up | Why XYZ product?

1. Directors & Officers (D&O) Insurance

Subject: Protect Your Leadership – D&O Insurance is a Must-Have

Hello [First Name],

Your company's directors and officers make critical business decisions daily. But what happens if they are personally sued for negligence, regulatory violations, or employment disputes?

Without D&O Insurance, they may have to pay legal expenses from their own pocket.

Why You Need D&O Insurance:

- ✓ Covers legal defence costs and settlements if your leadership is sued
- ✓ Protects personal assets of directors & officers
- ✓ Builds trust with investors, stakeholders, and board members
- ✓ Ensures compliance with regulatory expectations

Don't leave your leadership team exposed. Let's secure their protection today.

 Call us at [Your Phone Number] or reply to this email for assistance.

2. Professional Indemnity Insurance

Subject: One Small Mistake Could Cost Lakhs – Protect Yourself!

Hello [First Name],

No matter how experienced you are, mistakes can happen. A dissatisfied client, a contract dispute, or an error in your service can lead to expensive legal claims.

Professional Indemnity Insurance ensures you don't have to pay out of pocket.

Why You Need Professional Indemnity Insurance:

- ✓ Covers legal fees if a client sues for errors or negligence
- ✓ Protects your reputation and financial stability
- ✓ Required by many clients before signing contracts
- ✓ Essential for consultants, IT professionals, lawyers, architects, and more

One lawsuit could disrupt your business-let's get you covered today.

 Call us at [Your Phone Number] or reply to this email for assistance.

3. Commercial General Liability (CGL) Insurance

Subject: Accidents Happen – CGL Insurance Protects Your Business

Hello [First Name],

Running a business means interacting with customers, vendors, and the public daily. But what if an accident happens on your premises or a client sues you for damages?

Commercial General Liability Insurance covers these unexpected costs.

Why You Need CGL Insurance:

- ✓ Covers medical expenses if someone is injured on your premises
- ✓ Protects against third-party property damage claims
- ✓ Pays for legal defence if a customer or vendor sues
- ✓ A must-have for businesses with physical locations or client interactions

Don't let an unexpected lawsuit affect your business. Let's get your coverage in place today.

 Call us at [Your Phone Number] or reply to this email for assistance.

4. Product Liability Insurance

Subject: One Defective Product Could Lead to a Lawsuit – Be Prepared

Hello [First Name],

If a customer claims that your product caused injury or damage, your business could face a costly lawsuit. Even if you followed all safety measures, product liability claims can still arise.

Product Liability Insurance protects you from these risks.

Why You Need Product Liability Insurance:

- ✓ Pays for settlements or medical costs due to product-related injuries
- ✓ Protects your business reputation and financial stability
- ✓ A must-have for manufacturers, wholesalers, distributors, and retailers

Let's ensure your business is protected from unexpected product claims.

 Call us at [Your Phone Number] or reply to this email for assistance.

5. Commercial Crime Insurance

Subject: Fraud & Theft Can Happen Anytime – Is Your Business Covered?

Hello [First Name],

Internal fraud, employee theft, cyber fraud, and financial scams can drain your business funds without warning. Did you know that 75% of businesses experience fraud at some point?

Commercial Crime Insurance ensures your business can recover from financial losses.

Why You Need Commercial Crime Insurance:

- ✓ Covers financial losses due to employee theft or fraud
- ✓ Protects against cyber fraud, forgery, and fund transfer scams
- ✓ Safeguards your business assets and cash flow
- ✓ A must-have for businesses handling large transactions

Let's secure your business before an unexpected crime affects your bottom line.

 Call us at [Your Phone Number] or reply to this email for assistance.

6. Cyber Insurance

Subject: A Cyberattack Can Cost Crores – Is Your Business Protected?

Hello [First Name],

Cyber threats are increasing daily, and even a single data breach could cost your business lakhs or even crores. If hackers steal customer data or ransomware locks your systems, how will you recover?

Cyber Insurance helps your business bounce back.

Why You Need Cyber Insurance:

- ✓ Covers financial losses due to cyberattacks and data breaches
- ✓ Pays for legal fees, regulatory fines, and customer notification costs
- ✓ Protects against ransomware and cyber extortion
- ✓ A must-have for businesses handling sensitive customer or financial data

A cyberattack can happen anytime-let's secure your business before it's too late.

☎ Call us at [Your Phone Number] or reply to this email for assistance.

Auto - How do Claims work for XYZ policy

1. Directors & Officers (D&O) Insurance

Subject: How Do D&O Insurance Claims Work?

Hello [First Name],

I wanted to follow up regarding your Directors & Officers (D&O) Insurance quote and also share an important detail-how claims work for D&O policies.

♦ How Do D&O Claims Work?

- ① A lawsuit or regulatory action is filed against a director/officer for alleged mismanagement, negligence, or breach of duty.
- ② You notify BimaKavach with claim details and supporting documents prior to engaging a lawyer and prior to any legal response and or action.
- ③ The insurer approves appointment of legal representation and assesses admissibility.
- ④ If the case is settled or judged in favour of the plaintiff, the insurer covers settlement amounts (as per policy limits & coverages).

This policy ensures that your leadership team is protected from personal financial liability arising from business decisions.

If you'd like to discuss any questions or finalize your policy, feel free to schedule a quick call:

 [Schedule a Meeting](Insert Google Calendar Link)

2. Professional Indemnity Insurance

Subject: How Do Professional Indemnity Insurance Claims Work?

Hello [First Name],

Following up on your Professional Indemnity Insurance quote, I also wanted to explain how claims are handled under this policy.

♦ How Do PI Insurance Claims Work?

- ① A client files a claim against your business for negligence, professional errors, or failure to deliver promised services.
- ② You inform BimaKavach immediately, providing all necessary details.
- ③ The insurer appoints legal experts to manage the case and defend you.
- ④ If you are found liable, the insurer covers legal fees, settlements, and compensation (as per the policy limit).

This ensures you don't have to bear the financial burden of legal claims alone.

Would you like to discuss any aspects of the policy further? Feel free to book a quick call:

 [Schedule a Meeting](Insert Google Calendar Link)

3. Commercial General Liability (CGL) Insurance

Subject: How Do CGL Insurance Claims Work?

Hello [First Name],

I wanted to follow up on your Commercial General Liability Insurance quote and provide insights into how claims work under CGL policies.

♦ How Do CGL Claims Work?

- ① A third party (customer, vendor, or visitor) claims bodily injury or property damage due to your business operations.
- ② You notify BimaKavach immediately with details and supporting documents.
- ③ The insurer investigates the claim and, if valid, covers medical expenses, legal costs, and settlements.
- ④ Your business is protected, ensuring you don't pay out of pocket.

CGL is essential to shield your business from unexpected legal and financial liabilities.

If you have any questions or would like to proceed with your policy, let's connect:

 [Schedule a Meeting](Insert Google Calendar Link)

4. Product Liability Insurance

Subject: How Do Product Liability Insurance Claims Work?

Hello [First Name],

I wanted to check in on your Product Liability Insurance quote and also share how claims are handled under this policy.

♦ How Do Product Liability Claims Work?

- ① A customer claims your product caused bodily injury or property damage due to defects, malfunctions, or inadequate warnings.
- ② You inform BimaKavach, providing evidence such as invoices, complaint records, and incident details.
- ③ The insurer reviews the claim and, if valid, covers legal defence, settlements, and compensation (as per the policy limit).
- ④ Your business avoids financial and reputational risks from lawsuits.

This insurance is crucial for manufacturers, wholesalers, and retailers-one defective product can lead to costly claims.

Would you like to discuss further? Let's schedule a quick chat:

Subject: Your Business Remains Unprotected – Let's Fix That

Hello [First Name],

We wanted to check in as we haven't received your GST & PAN details yet. Until your payment is processed, your business remains unprotected against potential risks.

 What does this mean?

- ✓ If an unexpected claim arises before coverage starts, you may have to pay out of pocket.
- ✓ Delays in policy activation can impact your financial security.

Let's complete this today-reply with your GST & PAN details, and we'll take care of the rest!

PF form filling/Mandate Letter Signing

Auto - Follow up 1

Subject: Action Required: Complete Proposal Form & Mandate Letter

Hello [First Name],

I hope you're doing well! We're almost at the final step of issuing your [Insurance Product Name] policy.

To proceed with generating your Policy Copy, we kindly request you to complete the following:

✓ Proposal Form – Required to finalise and bind your policy

✓ Mandate Letter – Outlines our role as your broker and ensures a clear agreement

 [Fill Out the Proposal Form](Insert Link)

 [Sign the Mandate Letter](Insert Link)

Why This is Important?

✓ The Proposal Form ensures all policy details are correctly documented before issuance.

✓ The Mandate Letter formalises our role in handling your policy and claims, providing end-to-end support.

✓ Completing these forms now ensures no delays in getting your final Policy Copy.

If you need any assistance or have any questions, feel free to reach out to your Relationship Manager:

 [Relationship Manager's Name]

 [Email Address]

 [Phone Number]

Looking forward to receiving your completed forms soon so we can finalize your policy at the earliest!

Auto - Follow up 2

Subject: Complete Your Proposal Form & Mandate Letter – Final Step!

Hello [First Name],

Your [Insurance Product Name] policy is almost ready!

We just need you to fill out the Proposal Form and sign the Mandate Letter to finalise everything.
